

Instructions on ordering your Antioch Transcripts:

1) You can order additional transcripts through the National Student Clearinghouse, here (there is a \$10-15 fee):

https://secure.studentclearinghouse.org/tsorder/faces/TranscriptOrder?_afLoop=1435086150726085&_afWindowMode=0&_adf.ctrl-state=doveaww79_31#firstload

If the link doesn't take you directly to Antioch's transcript request page, just select "Antioch University" from the drop down menu (not Antioch College).

Make sure you request the transcripts **with** a letter grade. Colleges won't give you credit if you don't have the letter grades.

Antioch courses will be listed on Da Vinci Communications "College Profile" that all colleges have access to, so they will see a note that says, for example, "US History Honors = Antioch University U.S. 102"

Instructions on getting credit from your colleges for your college courses:

1. You need to have your syllabus from all of your classes. Find your syllabus here:

[Macroeconomics 102 Syllabus](#)

[Political Science 101 Syllabus](#)

[History 101 Syllabus](#)

2. Advocate for yourself! A lot of times colleges will say "well this class doesn't fit exactly the course we have here so we can't give you specific credit, just general credit". Fight to get specific credit for a specific course that is going to help you graduate. Search your college catalogue for the course that you think most closely matches the class you took at DV, and ask for credit for that specific class.
3. If they don't give you credit, ask to talk to a different counselor, or come back in a few weeks and see a different counselor.
