

The Princeton Review wants to help students get into their dream schools with better grades, better test scores, and better college applications. To find out how we can help you on your journey, join us on May 19 in Los Angeles to learn from our college admission experts about the SAT® and ACT®, finding your dream college, and how to write a strong personal statement.

You won't want to miss this free event, so come with questions and leave knowing that The Princeton Review is here for you!

The Princeton Review

For more than 35 years, students and their families have trusted The Princeton Review to help them get into their dream schools. We help students succeed in high school and beyond by giving them resources for better grades, better test scores and stronger college applications. Our proven methodology gives you test-taking strategies and a guaranteed score improvement. With a range of options, including one-on-one private tutoring, semi-private and traditional classes, and online prep, The Princeton Review offers the flexibility to fit your schedule and learning style.
