ADAM'S ENGLISH CLASS 2019-2020

Celebrating 10th Grade Authors!

Thanks to the generous support of PrintingCenterUSA.com and DonorsChoose.org, students in Adam's English 10 are publishing a book of personal essays based on objects from their past, present and imagined futures. Professionally printed hardcover books will arrive in the New Year -- make sure to read your child's writing! A special thanks to PrintingCenterUSA.com for working with our budget to ensure that every student could have their work published in its entirety!
