

Student Report Card Fall Semester: 2020 – 2021 School Year

Dear Parents and Guardians,

Thank you for supporting your child and our school through the first semester of this challenging year! We are proud of the work that the DVC family has done to adapt to these new circumstances, learn how to learn in a new setting, and continue the important work of becoming prepared for life beyond Da Vinci!

Enclosed you will find your child's report card for first semester. If there are classes in which your child earned an "I", this stands for "Incomplete" and means that they have not yet demonstrated sufficient mastery in the content of the course in order to earn a passing grade. If this is the case, more information about how they will be able to demonstrate sufficient understanding of the content of the course(s) in order to earn a passing grade will be available in January 2021.

The DVC staff will not be working during the winter break, so if you have questions regarding your child's grades, please wait until students return in January to contact them.

When we return for second semester on Monday January 11th, we will continue in our distance learning schedule and students will begin the semester at 9:30am. Students can expect to follow the same schedule that they had in first semester unless they are given a different schedule by their counselor. At that time, if you have questions about your child's classes, we encourage you to email their counselor:

Grades 9 & 11
Grades 10 & 12
