

BUY A YEARBOOK

Dear Da Vinci Parents and Guardians,

Don't wait to reserve your student's copy of the Da Vinci Design and Da Vinci Communications High School yearbook! Both schools are included in one yearbook. **Buy online** at yearbookforever.com. Please enter Da Vinci Design as your school when purchasing your yearbook for both Da Vinci Communications and Da Vinci Design. **Yearbooks are on sale** for \$46 through Friday. The price will increase on Valentine's Day to \$50 and again on March 1st to \$55.

These are the days your student will want to remember forever. If you have photos of school related events please share them with us by using the free phone app called "Yearbook Snap" our school code is Da Vinci, or e-mail them to Cari Werz cwerz@davincischools.org. The due date for any photos or videos are March 1st.

Technology has advanced our world. We are now incorporating videos imbedded into some of the photos in the yearbook. To clarify this is not a digital yearbook, with Yearbook 3D some of the photos in the yearbook have the capability of turning into a video viewable through a free iPad or cell phone app called Yearbook 3D.

We are also incorporating "Shout" signature stickers. They will be for sale after the yearbook is released. Students can video tape a message to a friend and save their message using a QR code located on each sticker that they place in their friend's yearbook. Can you imagine seeing yourself again on video when you were back in high school? This yearbook is truly going to be a lasting memory of our amazing year here at Da Vinci.

Best,
Cari Werz
