*Up next:*

**Presentations of Learning (POLs)**

**May 27—June 4**

**8am to 12pm**

Presentations of Learning (POLs) are the students' final presentation of the semester, in which they use their project work to demonstrate their mastery of essential skills to their teachers, showing them what they have learned and how they have grown.

Please note the school hours change during POLs. Students who need to make up work from classes will be held to complete their work in the afternoons as well. We encourage all parents to come see their students' final presentation and see what they have learned and created this semester.

We are also looking for volunteers to watch the Green Rooms (preparation and work rooms) from 8am to 12pm each day during POLs—a call for volunteers will come out in mid May.

If you have any questions, feel free to contact Nathan:

# Spring 2015 Exhibition

Thank you for being a part of Da Vinci Communication's spring Exhibition! We are proud of what our students have accomplished this semester, and are grateful for your presence here and support of their learning. Exhibition is a wonderful chance for our students to show off their work to an audience beyond their classmates and teachers—thank you for making that public display possible!

Nathan Barrymore  
School Director, Da Vinci Communications

***Upcoming important dates and school involvement opportunities***

- April 4—13: Spring Break, classes resume Tuesday 4/14
- April 15, 6pm: College Knowledge Night, many presentation in English and Spanish about the college preparation and application process
- April 21, 6pm: Family Association Meeting, focus on early college classes and year 13 with a presentation by Kim Merritt
- April 23: Hiring symposium (email Nathan if interested in interviewing candidates)
- May 4—8: Teacher appreciation week, details to come . . .
- May 12, 8am: Coffee with the Director, no presentation, just a relaxed time to chat about anything
- May 20, 8am: Coffee with the Counselor
- May 27—June 4: POLs, green room supervision needed
- June 5: Last day of the school year

## Grade 9

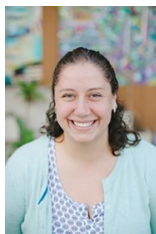

### Original Songs

Students in English and Communications will showcase their music video. This final product is a reflection of the hard work students put in to writing individual songs and collaborating to produce a professional quality music video that represents one song.

### Headphones

Come see the 9th grade physics and engineering students showcase their original headphones. Take a journey through the process the students took to create their headphones. You will also be treated to a personal concert listening to students' songs and spoken word pieces that they created in English through the headphones they created.

### Sine Wave

Come ride the sine wave! See why the sine wave is important in the world today. Students will be showcasing how the sine wave relates to sound and what happens when certain aspects of the sine function changes.

***Be sure to check out the DV Design classrooms***

9: Storytellers

11: Evolution Revolution

10: Genocide Project

12: Magazine & Senior Projects

## Grade 10

### Digital Revolutionary

Come meet your favorite Digital Revolutionary...or at least our DVC 10th graders dressed up like them. They are very excited to show you their research and websites in order to gain support in their mission to start and continue their revolution.

### Chemistry

Come on by and enjoy a classy film festival and allow students to guide you through their journey of making their documentaries that educate the public and inspire them to revolt against a particular social issue. Learn about how they researched other social issues, made their storyboard, and implemented documentary filming techniques, and at the end of the exhibit, get inspired by watching their completed documentaries.

### Café Literature

Prepare to lounge in a café of literature! Featuring student-written stories, overviews of revolution, and vivid poetry, this café is your chance to experience relaxation through English! You may even receive a complimentary dessert of your choice!

***Musical performances on the back stage!***

***Food by Earlez Grille***
