

Week 7

“While research shows that knowledge of math facts is important, Boaler said the best way for students to know math facts is by using them regularly and developing understanding of numerical relations. Memorization, speed and test pressure can be damaging, she added.”

— Clifton B. Parker, *Students most effectively learn math working on problems that they enjoy, not drills or exercises*

Week 7 - September 28 to October 2

	Monday		Tuesday		Wednesday		Thursday		Friday
