

EARL WOODS SCHOLAR PROGRAM 2023-2024 APPLICATION

BACKGROUND

The Earl Woods Scholar Program was created in 2006 to honor the vision and spirit of Earl Woods, Tiger's father and mentor, and continue his legacy of sharing and caring.

TGR Foundation empowers youth to pursue their passions through education. The Earl Woods Scholar Program provides students an unparalleled network, admissions and career counseling, financial assistance, dedicated mentors, specialized internships and vital workshops. Our 12th grade program model aims to help high-achieving high school students who demonstrate financial need, show a commitment to community service and have plans to enroll full-time in an accredited four-year university in the United States in the upcoming academic year.

EARL WOODS

Chairman in Memoriam, TGR Foundation – A Tiger Woods Charity

Earl Woods was the last of six children born March 5, 1932, to Maude and Miles Woods in Manhattan, Kansas. He attended Kansas State University, where he was a catcher on the university's baseball team and was the first African American to play in the Big Seven (now Big Twelve) Conference.

Earl later joined the US. Army and rose to the rank of Lieutenant Colonel. While serving two tours of duty in Vietnam, he met and befriended the original "Tiger," South Vietnamese soldier and friend Nguyen Phong, for whom his son is nick-named.

Woods' love for golf inspired his son, Tiger, who began imitating his father's swing before reaching his first birthday. Woods continued to nurture Tiger's love for golf, serving as his coach and mentor throughout the golfer's amateur and professional career.

“

My whole life is about being positive. It's about dreaming, and then taking steps in life to achieve those dreams. It is about overcoming obstacles and stereotypes such as bigotry and prejudice. Life is about giving and about sharing and caring for others, standing up and being counted for what you believe in, being a spokesperson and a role model, and being an inspiration.

”

From "Playing Through: Straight Talk on Hard Work, Big Dreams and Adventures with Tiger" by Earl Woods.

In 1996, Earl and Tiger established TGR Foundation – A Tiger Woods Charity (TGRF), a nonprofit organization dedicated to the education and empowerment of underrepresented youth. TGRF began its outreach through national grants and scholarships, junior golf clinics and public speaking engagements. Since its inception, the foundation has grown to reach millions of young people through education and character-development programs.
